3rd ANNUAL HOUSTON OIL BARONS BALL TO CELEBRATE THE HERITAGE OF THE OIL & GAS INDUSTRY IN TEXAS

By: The Houston Racquet Club Oil & Gas Society

Houston, Texas, December 1, 2015 - The Houston Racquet Club Oil & Gas Society is proud to announce that the 3rd Annual Houston Oil Barons Ball will take place Friday, April 29, 2016.

Leading up to the Offshore Technology Conference, the "Black-tie and Boots" inspired gala will be held in the ballroom of the Houston Racquet Club and is open to all supporters of the Oil & Gas industry no matter the field they work in. In addition to a delicious dinner, open bar and live entertainment by the fabulous Empire 6 band, a silent auction with many fantastic items will be held.

Especially in these uncertain and turbulent times, it's more important than ever to make valuable contacts and build relationships. Let's ride out this oil storm together. Come show your camaraderie with the men and women who devote their lives to the industry.

Tickets include Emirates First Class treatment with a red carpet entrance and being greeted by the elegant Emirates flight attendants, professional red carpet photo and VIP cocktail reception, Open Bar, dinner buffet, live entertainment, party favors, printed program and valet.

A portion of proceeds will support [Casa de Esperanza](#), a local children's orphanage in Houston that provides a safe place for children in crisis due to abuse and neglect. The HRC Oil & Gas Society is pleased to assist such a worthy organization so that these children will hopefully live a normal and fulfilling life.
